### *Why We Register?*

Money collected from registration is how we pay for the meeting facilities, equipment, registration packets, and other expenses to put on a convention of this size. Every table, chair, and room we use cost money. This gathering is not a regularly scheduled meeting, but rather a special event requiring a registration badge to attend. It is the support of each member's registration that helps make our convention a success. Your support is greatly appreciated.

## ***Back to Life***

We've seen that we need to change but may not be aware that we've been changing since we first came to Narcotics Anonymous for help. We walked into our first meeting with a spiritual void. Some essential ray of spiritual light had been cut off. We had lost the ability to love, to laugh, and to feel. For so long, people have looked into our eyes and had trouble seeing the human being behind the blank glaze. From our very first meeting, we sensed the love and acceptance of other NA members. We began to come **back to life**. What we are experiencing is an awakening of the spirit- no less dramatic than it sounds. This awakening has been evident to those around us for quite some time, but the change is now so obvious that we can see it as well.
